Many a lame, weak and aching back is bad no more thanks to Doan's Kidney Pills. Our citizens are telling the good news of their experience with the Old Quaker Remedy. Here is an example worth reading: "I had been suffering with a lame back for some time, and it was getting so bad that I could not do any work. I had tried many remedies, but nothing seemed to help. I had heard of Doan's Kidney Pills, and I bought a box. I took them as directed, and in a few days I felt much better. I continued to take them, and in a few more days I was completely cured. I can now do my work as usual, and I feel much better than I have for some time. I am now pleased to confirm my former testimonial."
